

Where Else Can You Find Gas For \$1.59 A Gallon?...

Monday, 5:32 PM

Dear Friend,

With such high gas prices, some hotels, resorts and campgrounds are guaranteeing special deals on gas this summer – as low as \$1.59 a gallon. But that's not all that's in this issue. I've packed it full of entertaining (and helpful) tidbits, trivia and unknown facts. But first let me tell you...

Here's what we were up to last month...

Jacqui, my oldest daughter, has returned to Lorain County Community College to continue working toward her Surgical Tech degree. She'll be doing her clinicals at the Cleveland Clinic. Danielle and I went on a canoe trip with the Berea United Methodist Church Youth Group. Paddling along 18 miles of scenic river in Mohican State Park was a magnificent experience. God has truly blessed us with such a beautiful planet!

In studio news, I'd like to give special thanks to Bryan Bowser, Administrative Director at Baldwin-Wallace College Conservatory of Music. The past few years, he has chosen us to photograph their middle school string and band camps and their New Horizons Band. Brian also referred us to the North Coast Men's Chorus for their group portrait. To show our thanks, we're sending you a \$25.00 gift certificate to the ever popular Tony K's Restaurant in Berea and a \$25.00 portrait gift certificate.

Finally, I want you to know you can call me for any reason. Please let me know if you have a friend, family member, coworker or neighbor who likes your portrait or wants one like it.

I truly appreciate your friendship and referrals.

With warm regards,

Mark Madere
